Dear CCSF International (F-1 visa) Students,

Welcome to the fall 2020 semester. Whether you are a new or continuing student, the Office of International Programs (OIP) is committed to serving your academic needs during your time at City College of San Francisco (CCSF). We are also available to answer questions regarding other services offered at CCSF. If we cannot answer your questions immediately, we will work diligently to do so, or we will refer you to the appropriate office on campus. Our primary goal is to provide a user-friendly environment to international students to ensure a rewarding educational and personal experience at CCSF.

As an international (F-1 visa student), it is your responsibility to keep current with all requirements set forth to maintain your student visa. This includes enrolling in the minimum required units each semester, paying your tuition, and making satisfactory progress to degree or certificate. These are only a few of the areas that you must monitor, but please sure to contact us if you are unsure or not clear about your responsibilities. Each student has different circumstances and educational plans thus we are happy to assist to answer any questions you might have. We want you to be successful at CCSF.

The OIP is planning to host several workshops or other informational meetings this semester. We hope that you will be able to participate. We will send the information as it becomes available.

We wish you success in your studies and hope that you enjoy your time at CCSF. Thank you.

Best regards,

Vinicio J. López, Ed.D.
